GATOR FANS' CODE OF CONDUCT

Gator fans are widely known for their enthusiasm, team support, hospitality and sportsmanship. Our image is shaped not only by our student-athletes, coaches, students and faculty, but by our fans as well. Our goal is to create a first-class environment to lend support to our team while maintaining a safe and fun atmosphere for visiting fans as well.

Prohibited Behavior
Rowdy, threatening, or inconsiderate behavior such as standing in the aisles, portals or concourses, profane and abusive language, smoking in prohibited areas, fighting, and drunkenness will not be tolerated and can result in ejection, arrest, and/or loss of season ticket privileges.

Throwing of any objects in the stands, including paper and plastic cups will also be prohibited. Should you observe any of this disruptive behavior, please notify your nearest law enforcement officer. Standing on seats/bleachers is strictly prohibited. NCAA policy prevents fans from entering the field of play unless they are properly credentialed or accompanied by an authorized staff member. Violators are subject to arrest.

Enforcement
Individuals found violating any policies can be removed from the stadium. Non-students, while not affected by the Student Conduct Code, are subject to arrest and prosecution under applicable laws and state statutes. Offenders’ names will be forwarded to the UAA by the law enforcement representative reporting the citation. The offender may be contacted by the UAA and issued a warning that a future violation could result in loss of ticket privileges. Season ticket holders are responsible for the behavior of anyone using their tickets and would be subject to this policy if the person using their ticket violates the Code of Conduct. Students involved in such activities or other disruptive behavior will also be subject to disciplinary action through the Dean of Students Office and University of Florida’s Code of Student Conduct. Students enjoy the rights and privileges that they gain as a member of the university community and are subject to the responsibilities which accompany that membership.

The University Athletic Association reserves the right to remove the ticket holder from the premises if in the sole opinion of the security personnel his or her conduct endangers or disrupts the players, coaches, officials or fans. Gator Athletics thanks you for your support.
